

Maximum Density

Maximum Density:

He's frightened--muscles tense.

Mentally Obtuse:

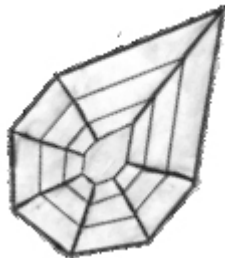

She's tired--obscuring sense.

He fears a love inadequate:

She'll need another's touch.

No longer can he cloud her heart:

She knows it's not enough.

Psychosomatic illnesses:

Unwanted stress response.

Internal Readjustment time:

Modifying wants.

Depressed and drained, she flees
now that his death attempt has failed.

With Angel slipping from his hold

He slides the steps toward Hell.

Now he wakes up screaming:

Eyes full of sapphire tears.

Now she wakes numb; and she walks numb;

and she's lost in distant years.
